

ALICE: Focus on Disabilities

Who is ALICE

OVER 45,000 Households in Volusia & Flagler Counties are at or below the ALICE threshold

Meet A.L.I.C.E

Asset Limited Income
Constrained Employed

Impacts the Community

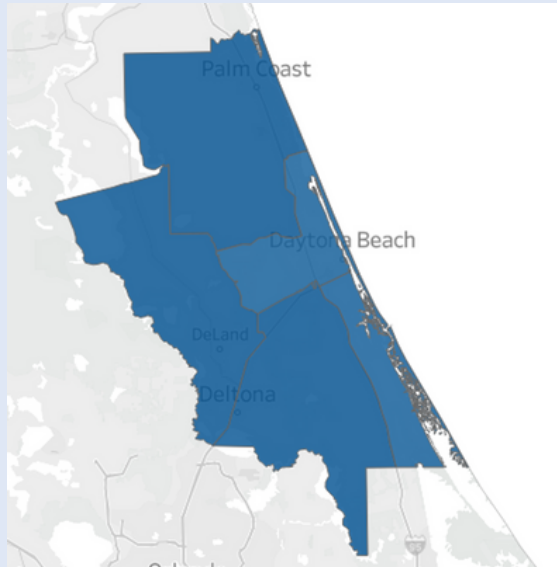

Over half (53.25%) of all households in Volusia in which a person with a disability resides are ALICE or below

Volusia & Flagler

71.5%

of families with a child with a disability are ALICE or below

Percent Below ALICE Threshold
23% 89%

Impact at Home

Over 25,900 households with disabilities are housing-cost burdened and fall below the ALICE threshold, meaning that they are most likely struggling in other areas of financial security as well

Access to Services

Self-care difficulty and cognitive disabilities are the two highest groups to fall into the ALICE threshold

95% of all ALICE individuals with disabilities in Volusia are rent-burdened

How Can I Help ALICE?

- Support day programs
- Advocate the state
- Medicaid Expansion
- Family and Medical leave support
- Vouchers: Transportation, Child Care, Education
- Scholarships
- Affordable housing
- Spread the knowledge on services
- Accessibility Tools (ASL, Limited Movement)
