I'm thrilled to share some exciting news — I've established a new fund through partnership with the Community Foundation and United Way of Volusia-Flagler Counties (CF/UWVFC) to invest in the long-term sustainability of our Volusia-Flagler County community.

This region has given so much to me, and this is my way of giving back — supporting the people and initiatives that will keep our community thriving for generations to come.

If this cause is close to your heart too, I'd love for you to follow along as this journey unfolds. Together, we can make a lasting difference right here at home.

I'm proud to announce that I've established a new philanthropic fund dedicated to the sustainability and long-term vitality of the Volusia-Flagler County community. [Share the name of the fund and its purpose]

As someone deeply connected to this region, I believe that investing locally — in our environment, our workforce, and our neighbors — is one of the most meaningful contributions we can make. This fund represents my commitment to ensuring that Volusia-Flagler County remains a vibrant, resilient place to live, work, and grow for years to come.

I look forward to sharing updates as this work progresses and to connecting with others who share this vision for our community's future.
